- **Vocal Techniques Class – Group Voice Lessons (all ages)**
CCHS Music Department is pleased to offer a vocal solo class. Proper vocal technique will be taught. Solos and duets in different genres will be explored: Folksongs, Italian & German Art Songs, Musical Theater, and Popular Style. The class is designed to aid the beginning singer in becoming more comfortable, and *also* designed to help the advanced student refine his/her technique and become a competent vocalist.and EVERYONE in-between.
Fall semester only.
- **Music 1010 – Music History & Appreciation (grades 11 & 12)**
CCHS Music Department is excited to offer a concurrent enrollment Music 1010 Course. Offered through partnership with SLCC, the course will apply toward a Fine Arts Credit at the college level. The class is designed to teach basic music elements as well as an in-depth look at the development of music over time. From music of early chant to jazz of the 20th Century, we'll learn the various musical styles and elements of great music. Spring semester only.

FRESHMEN:

To begin your involvement in the Choral Music Program, it is suggested that freshmen take Men's Chorus, Women's Chorus, or Vocal Techniques. Appearing on 5 concerts a year, these groups are the beginning of an exciting road of music.

SOPHOMORES:

You are welcome to audition for the Concert Choir or Advanced Ladies Ensemble (audition info below). While we will accept a few sophomores in those groups, most of you are still encouraged to simply register for Men's Chorus, Women's Chorus or Vocal Techniques.

JUNIORS & SENIORS:

Keep up to date:
