The district has Corner Canyon High School's enrollment being close to 2,000 students for the next four years. The unknown is how many students may leave to go back to a private school, charter school, or their boundary school, and how many students may move into the area, or who may choose to return and attend Corner Canyon High School as their boundary school.

The question was asked in regard to moving portables to the school. The question was discussed with many different opinions expressed.

The SCC decided whatever decisions were made by the Canyons District Board of Education; the school would open and welcome all students.

VI Student Government Update – Mary

The Studentbody Officers and Class Officers at Corner Canyon High School are a talented team with great leadership abilities. They are working very well together to plan the first year activities at Corner Canyon High School.

The student videos were a hit with both parents and students. The videos were very impressive and a great way to meet the students running for office.

VIII Attendance Policy Update & Peer Court Review – Brian and Jason Moffat

Brian gave a brief overview of the attendance policy. The policy will go by marks. The student will receive a mark for an unexcused absence, excused absence, truancy, and/or tardy (beyond two in each class/period). The student may have 4 marks per class, per quarter, without having to do make-up in attendance school. When the student receives the 5<sup>th</sup> mark the student will have to participate in attendance school. Attendance school will be handled by the administration, and the students will not be charged for attending. A 50 minutes session will alleviate one absent mark above the four allotted. A 25 minutes session will alleviate one tardy beyond the two allotted per class/period. Brian will make revisions based on input and feedback from SCC and bring a final version for review at the May meeting.
