III. Counseling Corner – Amy Hardcastle

Registration for sophomores is going on at this time. English classes are going to the CTE computer lab or the Media Center computer lab to register. The window will close February 19, 2016. Freshman and Juniors will start course requests next week. Skyward has general instructions for filling out Course Requests.

Wednesday, February 10, 2016, counselors will be at Draper Park Middle School to help with course requests for next year's 9th graders. The counselors will explain, in general, the Regency Scholarship. If the student or parent has specific questions they should contact the Regency Office.

The SCC parents requested communication between the counselors and students if a class the student has requested does not carry.

CCR's will be completed by February 4, 2016.

IV. Principals Items – Mary Bailey

a. Report on school website – teachers' link to Canvas or website (complete?)

The school is working with teachers to gather their disclosure statements and classroom information to put on our website. It is not complete at this time but will be soon.

b. Brief overview of Parent Assembly.

The Parent Assembly will be held in the Atrium, unless attendance is such that it needs to be moved to the auditorium. Maria Jones – Ed Tech, and Susan Saunders – School Media Specialist will speak to the parents on Internet Safety.

Attendance School credit will be given to the students who come with their parents.

c. Review of LAND Trust

Mary informed the SCC that there is approximately \$95,100.00 in the LAND Trust budget. (Mary also had a complete copy of the LAND Trust budget if any member of the SCC wanted a copy.) Payroll funding is still on track for teachers being paid from our LAND Trust budget. Teachers are paid for 12 months. The school's budget is on a physical year, July 1st thru June 30th.

The BLT Committee met on January 28, 2016 and had some changes and suggestions for the 2016 – 2017 CSIP Plan. A handout was given to the SCC with the changes. The changes are in the Literacy, STEM, and PBIS goals. Each of the goals are a support for the school's goal that every student be college ready.

d. New Ideas for LAND Trust funding.

The SCC new suggestions for LAND Trust Plan:

- Math Lab after school – 3 nights a week
- AP classes – Math and Physics
- Send teachers to local conferences
- Cover subs for Professional Development
- Purchase of supplies for PBIS (Positive Behavior Instructional Support)
- Purchase mobile computer lab for Math Department

The committee of SCC members will meet and review the suggestions and bring back a recommendation for the 2016-2017 LAND Trust Plan.

Mary gave the SCC a copy of a handout which had the AP enrollment numbers and grades for the school's AP Classes.

A parent asked if our enrollment will be up next year and the parents were told yes our numbers will be up next year. The new boundaries will take effect the school year 2017 – 2018.
