

Good Afternoon Corner Canyon High Families,

In light of the Governor's and State Superintendent's recent declarations, I thought I would send an update so that you would know what to expect for your children in the coming weeks:

School is closed from Monday, March 16th until March 27th. The state has granted a waiver for these days; they will not have to be made up. At the end of the two weeks, if not earlier, the state will re-evaluate and determine what our next steps will be.

On Monday and Tuesday, March 16th and 17th, students may come into the building to obtain personal belongings. Teachers will be planning and working with departments to prepare curriculum. **On Wednesday, March 18th, curriculum will be made available to students online or in hard copy.** Teachers will notify students of expectations at this time.

Teachers have been asked to focus on review materials rather than introducing new content to students. The exception to this would be AP and CE classes wherein we need to keep students on track in preparation of AP exams and CE credit.

All sporting events, tryouts, practices, and performances have been canceled for at least two weeks. Driver's Ed ranges and roads have been canceled. All night school and community education classes have also been canceled.

If you have any questions or concerns, feel free to contact me. We know that this situation is not ideal, and we appreciate your flexibility and concern for our Corner Canyon High community. I will continue to update you as we have more information. We love and care about our students and want to keep our entire community safe.

Thank you for your understanding and support.

Sincerely,

Darrell Jensen, Principal
